Chapter I

THE PRIME MINISTER

§ 1 (1) The Government is represented by the Prime Minister. The Government or the Prime Minister may appoint another person to represent the Government in individual cases.

(2) The Prime Minister represents Hungary in the European Council, and in the absence of a different decision in the [Basic Law](#) or legislation, the Prime Minister arranges for the representation of Hungary in all matters related to the European Union that require the participation of the state at the highest level.

- § 2 (1) The Prime Minister defines the general policy of the Government and directs its implementation.
- (2) The Prime Minister, acting in his powers specified in paragraph (1) in particular,
- a) directly manages the activities of the Minister in charge of the Prime Minister's Office, the Minister in charge of the Prime Minister's Cabinet Office, and through the Minister in charge of the Prime Minister's Cabinet Office, directs the activities of the Secretary of State for Administration of the Prime Minister's Government Office,
 - b) determines and coordinates the activities of the ministers, in the framework of which it can give guidelines to the ministers in connection with the performance of their activities,
 - c) ensures the enforcement of government decisions.
- (3) The Prime Minister determines the procedure for replacing the Deputy Prime Minister designated in his decree.

- § 3 (1) The Prime Minister determines the direction of the Government's body operation, convenes and leads the Government.
- (2) The Prime Minister, in particular, in order to implement the provisions of paragraph (1).
- a) within the framework of the [Basic Law](#), it determines the general directions of governmental organizational formation, including the general principles for the preparation of the organizational and operational regulations of individual ministries,
 - b) is exclusively entitled to submit a proposal to the Government for the adoption and amendment of the Government Decree regulating the duties and powers of the members of the Government,
 - c) may define a task for any minister, state secretary for public administration, state secretary and deputy state secretary, as well as the Prime Minister's political director, the Prime Minister's chief national security advisor (hereafter: head of state),
 - d) may oblige any state leader to report or give an account on matters falling under his/her duties and powers,
 - e) determines the agenda of the Government meeting, within the framework of which it may instruct the ministers and government commissioners to prepare a presentation or report,
 - f) is exclusively entitled to submit a proposal to the Government for the adoption and amendment of the Government's rules of procedure,
 - g) is exclusively entitled to submit a proposal to the Government for the [CXXV of 2018](#) on government administration . Cabinet pursuant to [§ 8 of the Act \(hereinafter: Ex.\) and Ex. for the establishment of a government committee pursuant to § 9](#) ,
 - h) is exclusively entitled to submit a proposal to the Government regarding the Government's legislative program and legislative work plan,
 - i) in cases requiring a comprehensive approach, makes proposals or submits proposals to the Government, initiates and organizes the coordinated activities of the members of the Government involved in the scope of duties, the preparation of policy proposals and reports, and the initiation of government-wide tasks,
 - j) participates through his representative in a ministerial meeting organized by another member of the Government,
 - k) signs the decisions of the Government, the Strategic Cabinet, the Economic Cabinet, the National Policy Cabinet (hereinafter collectively: the Cabinet), the Defense Council, written down and presented to him by the Secretary of State for Administration of the Prime Minister's Office,
 - l) signs other decisions affecting the duties and powers of the Government, written down and presented to him by the State Secretary for Administration of the Prime Minister's Government Office, including those decisions whose preparation does not fall within the duties and powers of any other member of the Government,
 - m) signs the documents related to the political service or government service relationship of state leaders, prepared and presented to him by the State Secretary for Public Administration of the Prime Minister's Government Office.
- (3) The Prime Minister determines the general directions of governance, to this end organizes the work of the Government as a body, establishes the internal division of labor between the ministers.

- § 4. The Prime Minister in connection with European Union affairs
- a) negotiates with European Union member states and representatives of European Union institutions,
 - b) maintains contact and negotiates with the responsible minister and other ministers on the government's position related to European Union membership,
 - c) may request a professional position from central state administration bodies under the control or supervision of the Government or members of the Government (hereinafter: government bodies) and may initiate consultation on these.

II. Chapter

THE GOVERNMENT CENTER

1. The Prime Minister's government administrative work organization

- § 5 (1) The Prime Minister's Government Office operates in the work organization of the minister responsible for general political coordination as in the work organization of the Prime Minister.
- (2) The State Secretary for Public Administration of the Prime Minister's Government Office is managed by the Minister responsible for general political coordination according to the instructions of the Prime Minister.
- § 6. In order to carry out the duties specified in § 3, the Prime Minister directly or – in accordance with § 5 (2) – through the State Secretary for Public Administration of the Prime Minister's Government Office

- a) coordinates and organizes the operation of the government administration, not including the territorial administration,
- b) prepares the draft of the Government's work plan and legislative program and ensures their implementation,
- c) prepares the draft of the government decree regulating the tasks and powers of the members of the Government, as well as the draft of the Government's rules of procedure and their amendments,
- d) proposes a uniform system of criteria
- da) drafts of government decrees on central offices,
- db) the organizational and operational regulations of the ministries and central offices regarding
- e) for the purpose of preparing the meetings of the Government
 - ea) ensures the coordination of public administrative consultations, in the process of enforcing the requirements defined in the decisions of the Government, and checks whether the conditions for the implementation of the proposed decision can be fully ensured,
 - eb) organizes, leads and conducts the meeting of state secretaries of public administration, ensures the enforcement of the decisions of the meeting of state secretaries of public administration,
 - ec) compiles the agenda of the government meeting,
 - ed) prepares the meetings of the Cabinet and the Defense Council,
 - f) organizes, coordinates and controls the implementation of the Government's decisions,
 - g) checks the implementation of scheduled and ongoing tasks, contributes to the evaluation of the implementation of decisions, can request information directly from the relevant bodies on the progress of the implementation,
 - h) enforces all-government aspects during the preparation of governmental decisions, the decision-making activities of the European Union and the implementation of the Government's decisions, to this end it organizes and operates the unified process of decision preparation and implementation, if necessary, it is initiated by the member of the Government involved in the scope of duties or the Government action,
 - i) coordinates contact with the heads of constitutional bodies, independent regulatory bodies and autonomous state administrative bodies,
 - j) handles the personnel operations related to the legal service relationship of state managers,
 - k) ensures the supply of tangible assets necessary for the work of state managers.

§ 7 (1) In order to carry out his tasks defined in § 3 , in accordance with § 5, paragraph (2) , the Prime Minister, through the State Secretary for Public Administration of the Prime Minister's Government Office, participates in the performance of the Government's tasks related to relations with the Parliament, the head of the Prime Minister's Cabinet Office in agreement with the minister in this regard

- a) performs government tasks related to the preparation of the sessions of the Parliament, in the framework of which it makes a proposal to the Government to initiate the convening of an extraordinary session or session of the Parliament,
- b) ensures the submission of the legislative program adopted by the Government and monitors its implementation,
- c) ensures the submission of legislative and parliamentary resolution proposals, reports, and proposals for political declarations adopted by the Government, as well as monitors the related parliamentary procedures and takes the necessary administrative measures for their adoption.

(2) The State Secretary for Public Administration of the Prime Minister's Government Office supports the activities of the Prime Minister in accordance with Section 5, Paragraph (2) . In this regard, the Prime Minister - within his duties and powers - requests information and clarifications out of turn, as well as professional preparatory material, data provision, and expert cooperation for the preparation of government compilations from the government bodies, and also conveys the Prime Minister's case-by-case decisions to the ministers and government bodies.

Section 8 (1) The Government designates the Prime Minister's Government Office as the body performing the central tasks of the government personnel administration, as well as the body performing the tasks of the personnel center - with the exception contained in Section 74 (2) .

(2) As a personnel center, the Prime Minister's Government Office performs the tasks defined in the legislation of [CXXV of 2018 on government administration. Act., as well as CVII of 2019](#) on bodies with special legal status and the legal status of those employed by them . with regard to bodies subject to [the law and those employed by these bodies.](#)
